DISTRICT OF NORTH DAKOTA**

In Re:	Case No.: 24-30168
Stark Energy, Inc.,	Chapter 11, Subchapter V
Debtor.	

SUPPLEMENTAL DECLARATION OF CHRIS PROCHNOW

Pursuant to 28 U.S.C. § 1746, I, Chris Prochnow, do hereby declare, under penalty of perjury, the following to the best of my knowledge, information, and belief:

1. I am employed by Pifer's Auction & Realty ("Pifer's") as an Equipment Salesperson.

2. If called as a witness, I could and would competently testify to the matters set forth herein based on my personal knowledge. In my capacity as a representative of Pifer's, I am familiar with Pifer's processes to prepare for and value equipment that will be auctioned off. My testimony herein is based on my service as a representative of Pifer's.

3. Gate City Bank representatives contacted me in March 2024 to inquire if Pifer's would be able to assist with auctioning numerous pieces of heavy equipment that had recently been repossessed from Stark Energy, Inc. (the "Recovered Vehicle Collateral").

4. On or about March 25, 2024, I participated in a conference call with Gate City representatives Kristi Feil and Shane Brewer to discuss the auctioning of the equipment repossessed from Stark Energy, Inc.

5. By the end of the conference call, Gate City Bank and Pfeifer's had an agreement/contract with the following terms:

- A. Gate City Bank would have the Recovered Vehicle Collateral delivered to the Pifer's location in Steele, North Dakota.
- B. The Recovered Vehicle Collateral would be added to the already-scheduled auction sale that was set for April 23, 2024.
- C. The auction set for April 23, 2024 would be conducted both in-person and over the web to reach the maximum audience.
- D. Pifer's would be paid a commission of 8% of the sale price.
- E. There would be no reserve bid amount.
- F. The Recovered Vehicle Collateral would be sold as-is, where is and without warranty.

6. I was assigned to manage pre-and post-sale activities for the auction of the Recovered Vehicle Collateral.

7. The Recovered Vehicle Collateral was transported from the Bismarck-Mandan area by a third party, and delivered to Pifer's auction location at Steele, North Dakota on or about April 10, 2024.

8. The Recovered Vehicle Collateral that was transported to Pifer's and that was to be auctioned for Gate City was either severely damaged and/or had parts missing. Generally, I would describe the various categories of equipment, upon receipt of the same, as follows:

- a) Gravel Trailers - needed extensive work; several were missing tires and an axle on one trailer, air valves were missing on the trailers as well as many were missing the tarps. The overall condition of the trailers was poor.
- b) Side Dump Trailers – These trailers seemed to be in working order.

- c) Belly Dump Trailers – one of the belly dump trailers that had a marking on it of “BD-003” was missing the VIN#.
- d) “Dragon” Vac Trailers – Only one trailer looked operable; the remainder had damage to axles and suspension parts were missing and had very bad air leaks. One of the trailers had been in an accident and had a large hole in the top of the trailer. Most trailers were missing rear lights. All trailers were missing vac pumps, except for one.
- e) Trucks – Only one truck was drivable. The others needed repairs to the chassis and/or the engines. The trucks were overall in poor condition and needed extensive work to be roadworthy again.

9. Upon receipt of the equipment to be auctioned for Gate City Bank, Pifer’s took photographs for their on-line auction listing, indicating in the narrative any obvious damage. The information as to each piece of equipment and photographs were uploaded to the auction website on the evening the piece of equipment was delivered to Pifer’s. Accordingly, all of the Recovered Vehicle Collateral was listed on the auction website for at least ten (10) days before the actual auction commenced on the morning of April 23, 2024.

10. All seventeen (17) pieces of the Recovered Vehicle Collateral were assigned a bid number, brief description of the equipment, VIN# if known, and related photographs were posted on the auction website. True and correct copies of the photographs and descriptions by bid number as posted on the auction website are attached as **Exhibit A**.

11. Prior to the auction, Pifer’s had received new originals of the Certificates of Title of the Recovered Vehicle Collateral identifying Gate City Bank as the owner to allow

transfer of title to the new buyer after the auction. Said New Certificates of Title were returned to Gate City Bank after the auction was stayed by the filing of the Stark Energy, Inc. bankruptcy on April 23, 2024. True and correct copies of the New Certificates of Title for the Recovered Vehicle Collateral are attached as **Exhibit B.**

12. On the morning of the auction, Pifer's obtained a signed Contract from Gate City Bank for the sale of the Recovered Vehicle Collateral. A true and correct copy of the Contract executed by Gate City Bank is attached as **Exhibit C.**

13. The auction of the Recovered Vehicle Collateral went live online the morning of April 23, 2024, and had just begun receiving opening bids when I was contacted by counsel for Gate City Bank to inform me that Stark Energy, Inc. had filed a Ch. 11 bankruptcy and that the Pifer auction of the Recovered Vehicle Collateral was to be taken off-line.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.

Dated this second day of July, 2024.
